

BRIGHTON PARK NEIGHBORHOOD NETWORK COMMUNITY RESOURCE GUIDE

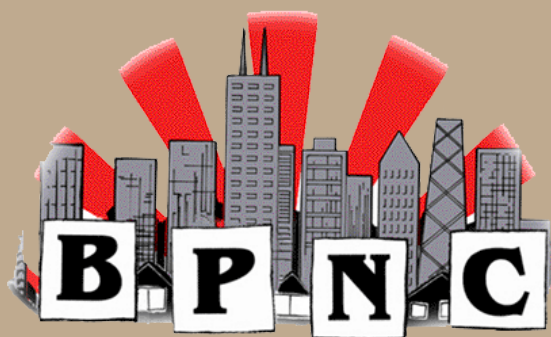

WHO IS THE BPNN?

The Brighton Park Neighborhood Network (BPNN) seeks to build the capacity of our community to dramatically improve outcomes for every resident by providing comprehensive support in education, health, and employment.

This resource guide offers an overview of the services that our BPNN member organizations provide, as well as information on how to connect with these services and supports.

Resources are broken down into the following categories:
Education, Medical Care, Mental Health and Emotional Well-Being, Youth Violence Prevention, Financial Support and Public Benefits Enrollment, and Job Training and Employment.

EDUCATION

After School Matters

Provides after-school and summer program opportunities to Chicago high school teens. Chicago Teens participate in high quality, hands-on, project-based apprenticeship and internship programs in a variety of content areas, including the arts, communications and leadership, sports, and STEM. Eligible teens receive stipends for completion of program requirements.
